

## EARLY GRADUATION

A student who wishes to graduate from high school in less time than the ordinary eight (8) semester, grade 9-12 sequence, may request permission to complete graduation requirements on an alternate schedule. Students will be allowed to graduate at the end of the first semester of their senior year provided all graduation requirements have been met.

The student and parents/guardians will consult with high school guidance personnel to develop a graduation plan. The student's intention to accomplish this shall be stated in writing to the principal. The student's parent or legal guardian must submit a letter in support of the student's request for early graduation, and such letter is to accompany the student's written request. The request letters to the principal are to be submitted no later than six months prior to the anticipated completion of the required high school program.

A student who graduates early must complete all graduation requirements established by the board. The student who chooses early graduation will not be allowed to participate in the spring graduation ceremonies. In all school activities during second semester, the early-out graduate will be treated as a graduated student.
