

The Huskies Leader

From Brad Best, Superintendent ...

Happy holidays to all of you!

It has been a great first half of the school year and the students and faculty continue to amaze me. So many of our students are great at juggling their studies, extra-curricular activities, and family. It is inspiring to see them in action and to see the positive attitudes that they carry each and every day here at school. Their focus, kindness, maturity, and support from parents truly make them a pleasure to associate with day in and day out.

I know that our staff, from teachers to secretaries and from kitchen help to board members love working with parents to shape our youth into outstanding young men and women. This dedication and focus makes Heartland Community Schools a great place to work and raise a family. Thank you for your continued support!

This caring approach combined with our continuing effort to update technology and other areas of the building helps to create an environment in which our students and staff members thrive. If you have not had a chance to see some of the changes around the building, please stop and we would be glad to point them out to you. I would also invite you to check out the 9-week honor roll board that has been mounted in the lunchroom area. We will continue to expand the ways we recognize students for their hard work in the classroom.

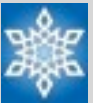

Thank you for being partners with us to provide a top-notch education here at Heartland. We wish you a safe, restful, and family-filled holiday season!

Heartland Community Schools Board Of Education, Administration, Faculty And Staff Would Like To Wish You A Very Merry Christmas And A Happy New Year!

School Closing Information

As the winter approaches, occasional bad weather necessitates the closing of school for the safety of our students. School closing information will be announced over the radio station KAWL (1370) and television stations KHAS, KLKN, NTV and KOLN.

We also use an automated phone message service through School Reach which we will use to contact parents about school closings as well. With this service it is very important that we have current numbers on file. Please call the school office if anything changes.

You may also call our school closing phone line at 402-723-4421. If a decision has been made the night before, the closing will be announced around 10:00PM. In the mornings it will be announced on the half hour from 6:30AM to 8:00AM.

National Honor Society

The last few months, Heartland National Honor Society has been making efforts to raise money for the restoration of Farmers Valley Cemetery. Donations have surpassed \$6000. On Friday January 24, 2014 they will be hosting a concert, starring Paul Siebert. Paul lives in Lincoln, Nebraska and is often referred to as “the music man” or “an orchestra of one.” He has been passionate about music from a very young age and had dreamed of one day being able to pursue a career in performing. This dream eventually became a reality. Paul currently performs over 400 shows per year. His fully acoustic, solo show uses up to as many as eight acoustical instruments and as little electrical support as possible. Paul’s song writing abilities and musicianship are bound to have you lost in a world of your own.

The concert will be held on Friday, January 24 from 7:00 to 8:00 PM at the Heartland Community Schools Auditorium. Admission is a free will donation and refreshments will be served following the concert. Paul Siebert is donating his gifts to this event and Henderson State Bank will match the proceeds of this event. Join Heartland NHS in supporting the restoration of Farmer’s Valley Cemetery in this living history concert with music that will highlight the years of 1860-1870 when Farmers Valley Cemetery was established.

The Fifth grade class presented the information they learned about our "Fifty Nifty"!

They spent the last few weeks researching different states and presented their information to the public on Friday, November 15.

Pictured here is Lauren Quiring with her display on Hawaii.

The Fifth graders graduated from the DARE program on Monday, November 11, 2013. The ceremony included each student reading their own report on what they learned during their time with officer Gillespie. We were so happy to see all of the family support in attendance that night! Cookies and punch we're enjoyed by everyone after the event. Thanks to the York county sheriffs for their support of this program.

FIRST GRADE

What do shoulder pads, a first grade classroom and a contraction lesson all have in common?

Well, that would be the teachers Mrs. Brisk and Mrs. Steever's team teaching a lesson on contractions!

As Mrs. Brisk entered Mrs. Steever's classroom one Tuesday morning, little did she realize she would be met by Dee Steever trying to squeeze into Jr. High shoulder pads and a homemade 'apostrophe shirt' prior to teaching her first graders about contractions!

Once things were in place and explained, the two teachers went into action. First with a contraction song to the tune of "Mary Had A Little Lamb"! Next came some explanations and rules to help identify the job of an apostrophe. The teachers worked together to assign letters and make sure the students fully understood how two words could be combined into one longer word called a contraction!

Mrs. Brisk and Mrs. Steever also had to demonstrate how the apostrophe substituted or stood in the place of the missing letter(s). Once the concept was understood, it was everybody's dream to get to play the part of the apostrophe, wear the shoulder pads and 'apostrophe shirt' and have the job of bumping letters out!

Since Mrs. Brisk visits many of the other elementary classrooms, she informed Mrs. Crouch, the third grade teacher, about the contraction skits that Mrs. Steever had developed and Mrs. Crouch right away set out to have the first graders share their skits and knowledge of contractions with them. Although the skits were short and sweet it was a way for students to visually and physically represent their understanding of contractions!
