

The Huskies Leader

From Brad Best, Superintendent...

We hope that your holiday season was restful and enjoyable. While it is only February, we are already starting conversations and processes in preparation for next school year. We will be looking to set next year's calendar, gather requisitions from the teaching staff, hire new staff, and work on next year's budget this month. Every month is busy here as it is with most businesses in our communities.

You may have seen our "new to us" activity bus around town over the last couple of months (photo is below). As part of the budgeting process, we were scheduled to replace our activity bus this school year. A typical "yellow" activity bus is much like a regular route bus, only larger and with storage bays. Motor coaches, like you may take on a bus trip for vacation, have started to pop up in many schools' fleets in the last few years. The model that we purchased is a bit of a hybrid between the two. It has features of a coach, such as overhead storage, high-backed cloth seats, and air conditioning controls for each passenger, but the heavier safety construction of a school bus.

We were fortunate to discover that this particular used bus was for sale. It is several years old, has some miles on it, is in great condition, outfitted with features that were attractive to us in our deliberations, and was a price close to what we were planning to spend on a less equipped model. We had the company finish all the trim in white, which gave us a blank slate on which to consider dressing it up for our students and staff.

What one notices when it comes down the street are the impressive graphics, which are a vinyl wrap, designed and installed by local business owner, Matt Buller. Even better, yet, is that our local Booster Club stepped up and donated the funds to pay for these graphics! It is great to have an opportunity to work together with local businesses and organizations on a project such as this one. Our students and staff are very appreciative of this cooperation!

School Closing Information

As the winter approaches, occasional bad weather necessitates the closing of school for the safety of our students. School closing information will be announced over the radio station KAWL (1370) and television stations KHAS, KLKN, and KOLN.

We also use an automated phone message service through School Reach which we will use to contact parents about school closings as well. With this service it is very important that we have current numbers on file. Please call the school office if anything changes.

You may also call our school closing phone line at 402-723-4421. If a decision has been made the night before, the closing will be announced around 10:00PM. In the mornings it will be announced on the half hour from 6:30AM to 8:00AM.

Continued on page 2

Through various studies, it is not a secret that students who eat breakfast perform better and are more attentive and productive at school. For years, we have offered cereal for breakfast at school, but the participation has been very low. Last fall, we conducted a survey of our students related to their wishes on two options for breakfast: hot breakfast offerings on some days before school and one referred to as a “grab and go”. The “grab and go” breakfast is one offered either before school or mid-morning and consists of items that are easy to eat quickly on their way to or within the first few minutes of their next class period. Items may include fruit, a warm breakfast burrito, yogurt, and a milk, for example.

A couple of things we learned from the survey were:

- 63% of students already eat something for breakfast at least 4 days per week
- 83% are hungry by 10 a.m.
- 88% of students are interested in a hot breakfast at school at least twice a week
- 96% would be interested in a “grab and go” option during mid-morning

We are going to do two, one-week trials in February. During the week of February 9-13th, we will offer hot breakfast items before school for all students in grades K-12. During the week of February 16-20th, we will offer a “grab & go” option to students in grades 7-12 only, as a trial.

The menus for these weeks can be found on the lunch menu included in the newsletter. We will offer these options at the regular breakfast price of \$1.50, the reduced lunch price of \$0.20, or free if the family qualifies.

If your child participates in these trial weeks, the price of the breakfast will be deducted from your lunch account balance. Please talk with your child about the upcoming trial and if you have any questions, please give us a call at 402-723-4434.

Junior High Student Led Conferences

Junior high students are busy preparing their portfolios for their student led conference. These conferences will take place on February 9th and 16th. During their conferences, students take charge and present samples of their work to their parents and reflect on potential areas of improvement. If parents want to talk to teachers more in depth, teachers will be available in the gym from 4:30 – 8:30 those nights, except for homeroom teachers during their student led appointments.

Kindergarten Roundup Scheduled for March 6, 2015

Heartland Community Schools will hold their Kindergarten Roundup on Friday, March 6 2015, in the Kindergarten Room #1. Children who will be five years of age by July 31, 2015 are eligible for kindergarten in the fall of 2015 and should consider attending Roundup.

The purpose of Roundup is to provide an opportunity for next year's kindergarten students to meet Mrs. Thiesen and Mrs. Peters, and to meet other prospective kindergarteners. Two sessions will be held. The morning session will begin at 9:00AM and the afternoon session will begin at 1:00PM.

Parents will register their children for attendance at Heartland Community Schools in the Board Room with Elementary Principal, Sadie Houck. Parents should bring their child's immunization records with them as well as their child's official state-sealed birth certificate.

Nebraska Birth certificates are available from: Nebraska Department of Health and Human Services; Division of Public Health, Vital Records, PO Box 95065, Lincoln, NE 68509-5065 or call them at 402-471-2871. You can download a form or fill out an online request by going to http://dhhs.ne.gov/publichealth/pages/vital_records.aspx.

All eligible children residing in the Heartland District whose names are on the current census list will receive an invitation to Roundup by February 25, 2015. If you are planning on optioning your child into the district, all option papers must be turned in by March 13, 2015, for the 2015-16 school year. If you know of a child who will be five by July 31, 2015 and for any reason may not have his or her name on the school census list, please call the school office at Heartland Community Schools at 402-723-4434.

Do You Want to Build a Snowman?

Under the direction of Industrial Arts teacher, Justin Sand, the snowmen decorations at our main entrance were constructed by **Elora Towne, MaKayla Windle, and Roy Mason III**, students in the Woods 1 & 3 class at Heartland Community Schools. The snowman idea came from a popular site called Pinterest. They will be used annually for winter trimming for the main entry into the school. Thanks to the students and Mr. Sand for their work on constructing and painting the beautiful snowmen.
