Our **Huskie Beef Program** is still going strong and our students continue to enjoy quality, locally raised beef several times a week for school lunch. Even though we are no longer raffling or selling steaks, funds are still needed to help cover costs of processing the beef. All donations benefit the students through the food service program at Heartland. Personal checks should be made out to the Henderson Community Foundation. Thank you!

School Closing Information

Occasional bad weather necessitates the closing of school for the safety of our students. School closing information will be announced over the radio station KAWL (1370) and television stations KHAS, KLKN, NTV and KOLN.

We also use an automated phone message service through School Messenger to notify parents about school closings as well. With this service it is very important that we have current numbers on file. Please call the school office if anything changes.

If a decision has been made the night before, the closing will be announced around 10:00pm. In the mornings it will be announced on the half hour from 6:30am to 8:00am.

2019 Heartland Holiday Food Drive

NHS, FFA and FBLA collected **626** items during the can caroling night, **1,044** items during the 2 week food drive for a total of **1,670** items. We were able to deliver food to **33** families. Thank you for your generosity in supporting this worthy cause in our communities!

Option Enrollment

Heartland Community Schools is open to accepting more option enrollment students and we feel that we have much to offer! A student from another district may enroll at Heartland when approved through the option enrollment program.

High school students must have an option enrollment application filed and approved before March 15, 2020 in order to be immediately eligible for extracurricular activities in the fall.

Second Grade Visit to Heritage Park

Each year, Heritage Park sets up for an old-fashioned Christmas and by coincidence, the Heartland 2nd grade students read, "An Early American Christmas", by Tomie dePaola. Since the two go together so well, it has become a yearly tradition for Mrs. Blase to pack up her students and see first-hand how Christmas was celebrated years ago!

On their visit, the second graders took lessons in the old schoolhouse, toured the old train depot, and even checked out what a real outhouse was like! Before leaving, they made paper chains and were given a sack filled with cuties, peanuts in the shells, a variety of wrapped candy and also a candy cane.

We are so fortunate to have such a great facility so close to home where the students can learn so much. This was definitely an experience they will remember for a very long time!

What you need to know about scholarships!

Most scholarships are based on academics, but others are based on community service, school involvement, or talent. Some are based on financial need as determined by the results of your FAFSA (Free Application for Federal Student Aid).

Here's where to look for scholarships:

- **ScholarshipQuest at EducationQuest.org** features over 2,000 Nebraska-based scholarships. After you create a profile, you'll be matched with scholarships that fit your criteria.
- **Counselor Corner:** Go to www.heartlandschools.net > Counselor Corner > Scholarships for a current listing of available scholarships.
- **The college you plan to attend.** Contact the school for a list of scholarships they provide and application procedures.
- **National search sites** such as College Board, Peterson's and Chegg.
- **Other resources** could include your coach, clubs and organizations, and your parents' employers and civic organizations.

February "To Do" List**Seniors:**

- If you haven't already, complete the FAFSA
- Expect financial aid award notifications from the colleges you listed on your FAFSA
- Apply for scholarships

Juniors:

- Start preparing for the ACT
- Register by February 14 for the March 14 SAT
- Register by February 28 for the April 4 ACT

Dual Credit Opportunities!!

Juniors: registration for your senior year will be happening soon. Have you thought about taking dual credit classes? Most of our students take dual credit classes through Southeast Community College because it is very affordable and the Career Academy is an optional part of it too. But there are other colleges the you can obtain dual credit through including UNL's Nebraska Now program <https://admissions.unl.edu/specialized-information/nebraska-now/>, and Peru State College <https://www.peru.edu/dualenrollment/>. Contact Mrs. Koehler if you'd like to explore others. Also, check out www.transferology.com to see how your dual credit class will transfer to other colleges! More info to come soon!

How to order your Smorgasbord tickets online!

While you can still go to the school office or see a band student to purchase Smorgasbord tickets, another option this year will be to purchase your tickets online. Go to brownpapertickets.com and search for "Heartland" to see a list of our events. You can also visit our website at heartlandschools.org where we will have a link to the ticket site.

There is a small convenience fee required by the company for online purchases. The total purchase price will be the cost of the tickets + \$0.99 per ticket + 3.5% credit card fees. On one ticket, the cost of a normal \$15 ticket will be \$16.52 including fees. If you choose this option, you will be able to name which student to whom you would like to credit the sale.

Tickets go on sale February 18th. Please let us know how we can help!
