

The Huskies Leader

From Brad Best, Superintendent...

To our parents and supporters,

Students are enjoying their first few days of summer. All at home are adjusting to new schedules. Teachers are finalizing grades and organizing their rooms and the administration and summer staff have started preparations for the next school year. It is amazing how fast some years pass and this last school year was no exception. Thank you for your continued support for what was an enjoyable and successful year of learning at Heartland.

We have a few things planned for the summer. We will be resurfacing and re-painting the track as it has been 7 years since it was installed. Doing the proper maintenance each year is very important to having a great facility. The "new" gym and theater addition is now 30 years old! We will have a crew in this summer to complete repairs on the mortar joints in many areas and make sure that the walls are sealed to the weather. Once that is complete we have some painting that needs to be completed in addition to the refinishing of the gym floors. The entry doors for that addition also have 30 years of heavy use for activities and are difficult at times to secure. They will be replaced over the summer.

The roof over the old gymnasium will be replaced and is the last roof surface to be updated within the last 10 years. It is starting to show its age and leaks have started to be an issue, so we definitely got our money out of that old roof. There are two interior courtyards within our building that have windows into two hallways. Many years ago, for energy efficiency, these windows were covered with insulated panels. Those panels are now starting to de-laminate and either need to be replaced or opened back up using energy efficient glass. We are planning to put glass back in those openings to allow more natural light back in the building and at the same or better energy efficiency. We do not want to have overgrown courtyard areas to look at, however. Our plan is to do some landscaping in one of the areas and turn the other into an outdoor classroom for science, math, and agriculture classes. It will take time and effort to make this happen, so once a plan is in place, we may be sending out a plea for some help. By this time next year, those areas should be a very nice addition back into our school environment.

We hope that you are not as busy this summer and find some time to relax and enjoy the family. Best wishes for a safe and enjoyable summer!

SPORTS PHYSICALS

A physical examination is required each year prior to participation in any athletic activity sponsored by the Nebraska School Activities Association. The physical examination is valid for one year from the date of the exam and may be performed any time after May 1 prior to the next school year. These physicals are for all students entering grades 7-12 who will participate in sports for the 2016-17 school year. Payment of \$25.00 is required at the time of service. You will need to use the school physical form as your verification.

SEVENTH GRADE PHYSICAL

A physical examination is required upon entry into 7th grade according to Nebraska LB59 law. The physical may be performed up to 6 months prior to the beginning of the school year in which your child is enrolled in 7th grade.

The clinic is requesting a parent/guardian to please accompany the student to the exam. If the student plans to participate in sports, the sports physical will be completed at the same time the 7th grade physical is performed.

All 7th grade students are required to have three doses of the Hepatitis B vaccine, two doses of MMR vaccine and two doses of the Varicella vaccine or a history of having chicken pox. Immunizations are available at the clinic or for a reduced cost at area immunization clinics.

Once the physical exam and immunizations are completed, the original physical form(s) should be returned to the school. This can be done any time prior to the first day of school. The cost of this physical is \$50.00. Immunizations are not included in this charge.

KINDERGARTEN PHYSICAL

A physical exam is required upon entry to kindergarten according to Nebraska LB59 law. This physical may be performed up to six months prior to the beginning of the school year in which your child is enrolled in kindergarten.

The following immunizations are required upon entrance to kindergarten: two doses of MMR, 3 doses of Hepatitis, at least 3 doses of DPT and IPV, and two doses of the Varicella vaccine (if your child has not had the chicken pox). Please bring your child's immunization records at the time of the physical so we can make sure their immunizations are current. Immunizations are available at the clinic or at area immunization clinics for a reduced cost.

Once the physical exam and immunizations are completed, the original physical form(s) should be returned to the school. This can be done any time prior to the first day of school. The cost of this physical is \$75.00. Immunizations are not included in this charge.

Physicals can be scheduled at Henderson Health Care between 8 a.m. and 5 p.m. Monday through Friday. Payment is required at the time of service.

Physical forms are available in the high school office, at Henderson Health Care, or on the school web page www.heartlandschools.org under the "For Students" tab.

Thayer Central Middle School Math Contest

Nine Heartland students traveled to Hebron on May 4, 2016, to compete in a middle school math competition. The students first competed in a 40 minute individual math competition consisting of 50 questions. After that, students competed in teams of three on a 15 minute grade level team test. The competition ended with a math quiz bowl tournament for each grade level. Individual awards were given to the top five students in each grade level, while team awards were given to the top team in the team test and quiz bowl tournament. All scores were then combined to award the top three middle school teams overall. Our Heartland students did an outstanding job in this competition. The 6th grade team, consisting of **Tyler Lewis, Carson Ott, and Kale Wetjen**, received 1st place in both the quiz bowl and team competition. The 7th grade team, made of **Ellyn Hall, Lauren Quiring, and Nema Stracener**, received 1st place in the quiz bowl competition, while **Lauren Quiring** earned 3rd place in the individual competition. The 8th grade team, consisting of **Timberly Carr, Odessa Ohrt, and Halle Peters**, competed well and contributed to the Heartland students earning the 2nd place trophy overall. Congratulations to these students on a job well done!

ELEMENTARY NEWS

Summer Reading Program 2016

On Your Mark, Get Set, Read is the theme for this year's Summer Reading Program which begins June 14th and ends July 21st. The elementary library will be open on Tuesdays and Thursdays from 9:00-12:00pm, with a story time feature at 9:30am. Students who read 100 minutes per week can bring in their minutes and are eligible for reading incentive prizes and books. Transportation will be provided on Tuesdays for students who live in the Bradshaw area. Packets were sent home with students on the last day of school. Parents of preschoolers may pick up packets at the office or when they first

attend.

Volunteers are needed to read, tell, or dramatize a story for the children during the story hour. Stories need not follow the summer library theme but may be on any book or topic appropriate for children. Especially needed are readers who want to share their own writing or life experiences involving stories.

If you would like to get involved in reading to children during the Summer Library Program, please call the school office at 402-723-4434.

Bus Transportation Information for the 2016-17 School Year

As we plan our bus routes for the 2016-2017 school year, we would like every family that will be riding the school bus to fill out this form. This will enable the school to have a more accurate record of students riding the bus.

For those who live in Bradshaw, we plan to make several stops in town, rather than have one central pick-up location. After we finalize the bus routes, we will inform you of where the pick-up locations will be.

Please return this form to the school office by July 1, 2016. Thank you.

List every child in your family that will be riding the bus:

Summer Strength Training Schedule:

Start date: Thursday, June 2

High School boys 6:30 AM

High School girls 7:30 AM

Jr. High boys & girls 8:45 AM

We will run a four day workout. The workout days will be Monday, Tuesday, and Thursday. The weight deck will be open during the same times on Wednesday as a makeup day. The weight deck will not be open on Fridays.

The workout will consist of strength training and a speed/agility training session each day.

Please view the Heartland School calendar for a schedule of days the weight deck will not be open (Holidays and gym floor reconditioning). <http://www.heartlandschools.org>.

IMPORTANT NOTICE

A Census Form for Heartland Community Schools was included in the April Newsletter. Please complete & return this form to the school office no later than June 10, 2016 even if your children do not attend Heartland Community Schools. If you no longer have a census form, you can call the school office 402-723-4434 with the information.

It is important that you fill out this form and return it to the school office.

Thank you for your cooperation!

REPORT CARDS CAN BE PICKED UP IN THE MAIN OFFICE STARTING JUNE 1.
