

The Huskies Leader

From Brad Best, Superintendent...

To our parents and supporters,

Fall is officially upon us and school is in full swing! It has been a great start to a new year and we appreciate the support that you have given us in making sure that your children are here and ready to learn each day.

This last month, the board of education approved the budget for the 2015-16 school year. Our tax asking for the general fund decreased 3.2% or about \$139,000. The land valuation in our district increased 11% from last year to nearly \$823 million. We will have a slight increase in our asking for the QCPUF fund so that we may pay off bonds early and save some interest. Our total tax asking of our patrons across all funds will decrease for the second year in a row! We have been able to decrease our budget while completing curriculum and building updates due to the securing of additional state funds and through changes in our staffing. The overall levy for all funds next year is projected to be slightly over 55 cents per \$100 valuation, which is down almost 7 cents from the 2014-2015 school year.

We are doing well financially and are looking at ways to enhance programming and building improvements within spending limits and while keeping our growth in tax asking low. Our number one priority is to provide a quality education to our children and I believe that we are in a great position to continue that effort. We appreciate your support and take our fiscal responsibility to you very seriously.

In the fall of 2012, the elementary teachers implemented a new reading series in grades K-6. Our reading scores continue to grow with this renewed effort. This fall, we have updated our math curriculum and teachers have received training on its implementation. We are excited about the updates and the hard work that our teachers are putting forth to teach reading and math with fidelity to the researched based programs. This fall, we will be analyzing our science curriculum and look to update those materials in the fall of 2016.

Have a great fall and please plan to participate in our school activities and parent/teacher conferences on September 28th & October 5th.

Sincerely,

Brad Best, Superintendent of Schools

School Closing Information

As the winter approaches, occasional bad weather necessitates the closing of school for the safety of our students. School closing information will be announced over the radio station KAWL (1370) and television stations KHAS, KLKN, NTV and KOLN.

We also use an automated phone message service through School Reach which we will use to contact parents about school closings as well. With this service it is very important that we have current contact numbers on file. Please call the school office if anything changes.

You may also call our school closing phone line at 402-723-4421. If a decision has been made the night before, the closing will be announced around 10:00PM. In the mornings it will be announced on the half hour from 6:30AM to 8:00AM.

HEARTLAND FBLA WELCOMES 13 NEW MEMBERS

The Heartland Marching Band Places First in Classes C and D at the Applejack Parade

On Saturday, September 19 the Huskie Marching Band traveled to Nebraska City for the Applejack Parade and Fall Festival. The Band was awarded first place in class C and D. There was a total of 17 bands in the parade.

The Band will travel to the Grand Island Harvest of Harmony Parade on October 3.

Kaitlyn Quiring, chosen as a member of the Nebraska Cornhusker Marching Band

Kaitlyn Quiring, 2015 graduate of Heartland Community Schools, has been chosen to be part of the Nebraska Cornhusker Marching Band for this season. Kaitlyn is a freshman at UNL and was chosen by a two tier audition process to play trumpet in the Cornhusker Band. Heartland graduate and UNL junior Aaron Jensen is also part of the Cornhusker Band, playing in the trombone rank for the past two years. The band will march at all home games, travel to one away Big 10 game and a Bowl Game if the football team is invited to a bowl.

UNK Band Member of the Month

Tierney Casper, a 2015 graduate of Heartland Community Schools and now a freshman at the University of Nebraska at Kearney was chosen as Band Member of the month for August. Tierney is a flutist for the UNK Antelope Marching Band. The Band Member of the month is chosen “for their positive enthusiastic attitude and exceptional playing ability.” Tierney was chosen by the band’s section leaders, the leadership team, and the UNK Marching Band Directors, Dr. Duane Bierman and Dr. Brian Albers. **Congratulations Tierney!**

Survey About Our School

As part of our school improvement process and accreditation, we will host an external group of educators to evaluate the work that we have done in analyzing data and setting goals to improve student learning. One of the data collections that they will want to see is the information gathered from a survey about our school. We are asking for your help in collecting this information.

If you are a parent of a child at Heartland, you may go to the following address to complete the survey: <http://www.advanc-ed.org/survey/public/9782831>

You may also complete the survey during parent/teacher conferences this fall. Thank you, very much, for your feedback and aiding us in the school improvement process!

Apply to College Day! The purpose of this day is for seniors to get at least one college application completed during the school day. This day will be held at HCS in mid to late October. Watch the school website, Facebook & Twitter pages for more information!

Find the Right Fit! EducationQuest is sponsoring a College Fair in Grand Island on Sunday, Oct 11 from 1-3 at the Pinnacle Bank Expo Center (700 East Stolley Park Road). Visit with many college representatives from Nebraska colleges and some out of state colleges. Go to educationquest.org/fall-college-fairs/ for a complete list of College Fairs and helpful tips.

Upcoming Tests at HCS:

ASVAB - Oct. 8 from 8:30-11:30. For juniors or seniors. Find out more at: <http://official-asvab.com>.

Second grade is buzzing about insects!

The second graders just completed a unit on insects. They studied the characteristics of insects. They also observed ants, Painted Lady butterflies, praying mantises, and ladybugs along with the numerous insects they caught on the playground each day!

Elementary Classroom Highlights

This year the 5th and 6th grade classes have departmentalized with Mrs. Maltzberger specializing in language arts and reading and Mr. Veerhusen specializing in science and math. We are very excited to offer this type of classroom setting to our 5th and 6th grade students. Students are exposed to the Junior High atmosphere and are focussing on the organizational skills needed to be successful.

Are those 6th grade students in Mrs. Maltzberger's Room?

Is that Mr. Veerhusen teaching 5th grade science in the computer lab?

5th Grade

The Fifth grade is participating in the DARE program through the month of October. Deputy Gillespie from the York County Sheriff's office runs a great program for the kids to learn about good decision making and important facts and statistics about the affects of drugs and alcohol. A great deal of learning takes place and when they are focused, they are rewarded. Students seen below are being handcuffed together, which is a request that almost every student makes at some point during the two month period.

Kindness Retreat

The fifth grade class, along with four Heartland High School buddies, attended the Kindness Retreat in September. They were reminded of the importance of kindness in our world and schools. One main point that was repeated throughout the day was "If you want to catch some kindness, keep throwing it out there."

Earn money for our elementary school!

This year the elementary classrooms will have monthly contests collecting Box Tops for Education and Campbell's Labels for Education. The classroom that collects the most box tops and labels will be rewarded each month and all money raised will help support the elementary to purchase playground equipment and classroom supplies.

Please save those box tops and labels and send them to school with your child or turn them into any classroom teacher. When clipping box tops please do not cut off the expiration date. If you have any questions please contact Mrs. Cindy Goff or Mrs. Sadie Houck. Thank you for your support of our school!

Football, volleyballs, ankle skip ropes, tether balls, sidewalk chalk and a variety of other playground balls were purchased with soup label points turned in by the students.

Talking to your Children about Lunch

It is important to discuss school lunch with your student

- What do you plan on eating this week?
- The menu says tater-tot casserole on Monday; did you know that has potato tots, beef, cheese, and your choice of corn or green beans in it?
- Will you be eating the hot item on Thursday? Your other choice is either a yogurt OR a cheese stick?
- What items will you eat off the salad bar?
- Would you rather have me pack you a lunch for Friday?

Many students are eating what most would consider a snack during lunchtime.

Please speak to your student(s) about lunch so that they are prepared to make better choices through the lunch line or so that a lunch can be prepared and brought to school.

Heartland Preschool has established an early childhood advisory committee as required by Nebraska Department of Education Rule 11 – Regulations for Early Childhood Education Programs. The committee is made up of parents of Heartland Preschool students and has written the following purpose statement and goals:

Heartland Preschool Parent Advisory Committee

(H-PreK P-A-C)

PURPOSE: To provide the Heartland Preschool families and staff a cooperative network of support.

GOALS:

To serve as an advocate group for the families of the Heartland Preschool students.

To be a representative voice for the parents of Heartland Preschool students.

To provide fun activities that promote connections among the Heartland Preschool families.

To give informative support and reassurance to Heartland Preschool parents as they raise their children.

The H-PreK P-A-C meets quarterly. The first meeting is set for Monday, Oct. 19, 2015 at 7:00p.m. in the elementary library at the Heartland Community School. Future meetings are set for Dec. 7, 2015, Feb. 22, 2016 and April 4, 2016. All meetings are open to the public, so interested community members are welcome. Please contact Dot Quiring at the school for any questions or to request to be placed on the agenda for the next meeting.

Recess Reminder: As Colder Weather Approaches

- Active play is a vital part of a child's everyday needs.
- Please make sure that your children come to school prepared for colder weather. This may mean a heavy coat, and if necessary, a hat, mittens/gloves, and boots. We will be going outside whenever possible as it is important for children to get some fresh air and exercise during the day. Staying indoors for recess will be decided by the elementary principal. If the weather is not severe, children will be outside for recess if the temperature is above 20 degrees and the wind chill is above 10 degrees.

JUNIOR HIGH NEWS

Junior High Chooses Homeroom Names

Junior high students have been busy in homeroom so far this year. They have chosen their homeroom name from the theme Board Games. They selected Life, Trouble, Monopoly and Battleship. They have been earning Huskie Bucks for their homerooms by competing in challenges. Soon we will begin reading the book Kid President's Guide to Being Awesome and working on their Thriller competition dance.

Packets for ordering photos have been sent home with each student. If you did not receive a packet you may pick one up at the school office.

Heartland School Board Members Recognized for the NASB 2015 Achievement Award

The Nebraska Association of School Boards (NASB), Board of Directors and staff, recognized the 2015 Award of Achievement recipients during the York Region Meeting on Wednesday, September 9, 2015.

NASB is a private, nonprofit organization that serves the needs of Nebraska public school districts and Educational Service Unit board members. Board Members from across the state may participate in board development training throughout the year by attending workshops and conferences to help strengthen their role in governance, legislative advocacy, and stewardship of district resources in support of student achievement.

In recognition of their volunteer time and commitment to education, the Association commends continued participation and growth in knowledge and best practice governance. Through the Awards of Achievement program, the following board members were recognized at the meeting for their outstanding excellence:

Board members are awarded for their participation in NASB Services and Programs as well as attendance at NASB workshops and events. Just as board members have made a commitment to provide a quality education for students in their districts, NASB strives to provide quality resources and opportunities for its members. There are ten total levels of achievement that carry over year to year.

Deb Wilhelm who recently resigned from the Heartland school board also received the Level VI award. Deb is now employed as the Speech Pathologist at the Heartland Schools.
