

HARASSMENT

Harassment of employees, students, volunteers or visitors will not be tolerated in the school district. This policy is in effect while students are on school grounds, school district property, or on property within the jurisdiction of the school district; while on school-owned and/or school-operated transportation; while attending or engaged in school activities; and while away from school grounds if the misconduct directly affects the good order, efficient management and welfare of the school district.

Harassment includes, but is not limited to, race (including skin color, hair texture, and protective hairstyles), religion, national or ethnic origin, color, marital status, disability, sex, veteran status, age, pregnancy, childbirth or related medical condition, sexual orientation or gender identity, or other prohibited status. Harassment by board members, administrators, employees, parents, vendors, and others doing business with the school district is prohibited. Students whose behavior is found to be in violation of this policy will be subject to the investigation procedure which may result in discipline, up to and including, suspension and expulsion.

Harassment on the basis of race, religion, national or ethnic origin, color, marital status, disability, sex, veteran status, age, pregnancy, childbirth or related medical condition, or other prohibited status means conduct of a verbal or physical nature that is designed to embarrass, distress, agitate, disturb or trouble individuals when:

- submission to such conduct is made either explicitly or implicitly a term or condition of a student's education or of an individual's participation in school programs or activities;
- submission to or rejection of such conduct by a student is used as the basis for decisions affecting the student; or
- such conduct has the purpose or effect of unreasonably interfering with an individual's performance or
- creating an intimidating, offensive or hostile learning or work environment.

Harassment as set forth above may include, but is not limited to the following:

- verbal, physical or written harassment or abuse or unwelcome communication implying sexual motives or intentions;;
- repeated remarks of a demeaning nature;
- implied or explicit threats concerning one's grades, achievements, etc.;

- pressure for sexual activity; repeated remarks to a person with sexual or demeaning implications;
- unwelcome touching;
- unwelcome and offensive public sexual display of affection;
- suggesting or demanding sexual involvement, accompanied by implied or explicit threats concerning one's job, promotions, recommendations, etc.

The district will promptly and reasonably investigate allegations of harassment. The Compliance Coordinator or building principal will be responsible for receiving all complaints by students alleging harassment.

Every report of alleged violations of this policy that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing investigation of this policy, potential issues of sexual harassment or discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged sexual harassment or discrimination as well as the incidents of alleged violations of this policy.

Upon receiving a complaint, the investigator shall confer with the complainant to obtain an understanding and a statement of the facts. It shall be the responsibility of the investigator to promptly and reasonably investigate claims of harassment and to pass the findings on to the superintendent who shall complete such further investigation as deemed necessary and take such final action as appropriate. It is the intention of the district to complete its investigation within ten (10) working days after receiving a complaint unless extenuating circumstances such as unavailability of a witness or needing additional time because of the complexity of the investigation or the need to involve outside experts. The extended timeframe for investigation due to extenuating circumstances shall not exceed ten (10) days without the consent of the complainant, unless the alleged victim agrees to a longer time limit. Information regarding an investigation of harassment shall be confidential to the extent possible, and those individuals who are involved in the investigation shall not discuss information regarding the complaint outside the investigation process.

Retaliation against an individual because the individual has filed a harassment complaint or assisted or participated in a harassment investigation or proceeding is also prohibited. A student who is found to have retaliated against an individual in violation of this policy will be subject to discipline, up to and including, suspension and expulsion.

It shall also be the responsibility of the superintendent, in conjunction with the investigator and principals, to develop administrative rules regarding this policy. These rules will be printed and distributed to students and parents in the student handbook. The superintendent shall also be responsible for organizing training programs for students and employees. The training shall include how to recognize harassment and what to do in case an individual is harassed. The employee training will be documented in personnel files to ensure a record of training for each employee.
