

STUDENT FUND RAISING

Students may raise funds for school-sponsored events with the permission of the school board. Once permission has been granted by the board, the same fundraising activity may be conducted in following years. Collection boxes for school fund raising must have prior approval from the principal before being placed on school property.

The main emphasis of any fund-raising campaign should be on the educational aspects of the program. Contests between rooms and schools will not be used as a promotional device.

No tickets for any purpose except for school activities authorized under Board policies or otherwise expressly permitted by the Board will be sold on school premises.

No contribution of money for any purposes will be collected from or by school children except as authorized by the Board.

It shall be the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy.
