

FREE OR REDUCED COST MEALS ELIGIBILITY AND MEAL CHARGES

The district shall comply with all state and federal laws applying to providing free and reduced meals under the National School Lunch Program, School Breakfast Program, and other related federal grant programs.

Free or Reduced Meals Eligibility

Families of students enrolled in the district who wish to qualify for free or reduced price meals may submit an application on or after July 1 for the current school year. If the financial situation of a household changes during the school year, they may submit a new application to become eligible. Applications are available at the Central Administrative Office of the school building.

Meal Charges

The written meal charge policy and guidelines shall be in place before the beginning of each school year and parents shall be advised of the available payment systems and meal prices. The district will encourage pre-payment of meal balances but the district must include a method for adding funds during the school day such as cash payments at the school office. All balances remaining in accounts shall carry over to the next month. Balances of households qualifying for free or reduced meals with funds remaining in the account at the end of the school year shall receive a refund. The district shall attempt to contact the household of any student transferring out or graduating from the district to return any unused funds remaining in the student's account. The district may set varying meal charge guidelines for students of different grade levels including charges relating to alternate meals, ala carte items and limits on charges that a parent may set for a student's daily lunch expenditures.

The following procedures will be followed in regard to all students' charging of meals:

- *Access to the home use of school owned technology may be suspended for students with a negative lunch balance.*
- *No ala carte items may be purchased by students with a negative balance.*
- *An unpaid negative balance for 30 consecutive days may be taken to small claims court for resolution.*

Confidentiality

The information provided by families on the free and reduced price application will be used only for determining eligibility for meal or milk benefits and verification of eligibility. Only staff members and organizations carrying out the activities of the School Lunch Act shall have access to this information.

The district should use methods of lunch payment systems such as pre-payment to avoid openly identifying children who qualify for free or reduced meals. Meal cards, tickets, tokens or other methods of payment must not be coded or colored to identify such status.
